MEMORANDUM FOR THE DEPUTY DIRECTOR OF CENTRAL INTELLICENCE

SUBJECT:

Draft of "Definition of the Term 'Psychological Warfare'".

I return to you herewith the subject draft document. I have, taken this matter up again with the Department of State and have; been assured again that this matter will be properly attended to. Your attention is invited to paragraph five of my memorandum to you dated 1 February.

**ILLEGIB** 

Incidentally, I heard from Mr. wallace Carroll, who is scondeducting a survey for the Department of the Army of its informatic activities, that he will probably recommend the dissolution of the SANAAC subcomittee on Psychological warfare. I explained to him our view which is simply that the agencies having the responsibility for the operations in this field should have the responsibility for planning for the future and he agreed that this was a sound appear. It may take a bit more time to clean up this situation but II thin that everything is headed in the right direction.
